## **Permission to Land Procedures**

Pilots or Handlers must secure permission to land by contacting CBP by phone or email during regular business hours, 24 hours in advance of intended arrival. Emergent landing rights circumstances within the 24-hour window may be considered on a case-by-case basis.

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside these parameters, previously granted permission(s) are invalid and you must contact the CBP port to re-secure permission to land.

## **Inspection Process**

- The Bangor Tower will direct aircraft where to park upon arrival.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, etc. upon the Officer's arrival plane-side.
- Regulated waste/garbage will be collected by the FBO from the aircraft crew.

## **Special Procedures/Miscellaneous**

- Service is available 24x7 for approved RSP participants (with approval in advance).
- After hours has limited availability with Supervisory approval 24 hours in advance.
- In-flight Emergency landing 24x7, notify SECTOR Communications during non-business hours.
- Request permission to land during regular operating hours, 24 hours in advance of arrival, by sending an email to [KBGR\\_GAP@cbp.dhs.gov](mailto:KBGR_GAP@cbp.dhs.gov) and submitting your electronic manifest in APIS; CBP will review and reply accordingly. CBP will request an updated ETA on date of arrival during normal business hours once it is determined.
- If dogs will be on board the aircraft, please submit all required CDC paperwork, to include Airway Bill (unless exemption exists) for review with the landing rights request.
- Please make sure dogs are restrained upon arrival for Officer Safety during the inspection.
- If dogs are being imported as a commercial entry, CBP Bangor will require an Airway Bill, CDC Forms and all applicable commercial entry paperwork.
