Permission to Land Procedures

Pilots must secure permission to land by contacting CBP
prior to departure from the foreign port or place and during
regular office hours.

Permission to land is granted with a tolerance of (+/-) 15
minutes. If your ETA deviates outside these parameters,
previously granted permission(s) are invalid and you must
contact CBP to re-secure permission to land.

Inspection Process

- Permission to land requests must be arranged during normal business hours.
- Once approval is received you will be given direct contact information of the inspecting officer.
- CBP will meet the aircraft at the predetermined FBO to clear the aircraft and occupants.
- Please have all necessary documentation readily available to expedite the process.

Special Procedures/Miscellaneous

- Anticipated arrivals before 09:00 or after 15:00, Monday – Friday or on weekends will require RSP arrangements.
- Once approved, the flight service will be provided with a direct contact for the inspecting officer to be updated upon takeoff.

NOTE: For further detailed information regarding national GA processing standards and procedures,
please refer to the CBP Private Aircraft Arrival Information Document or contact GAsupport@cbp.dhs.gov
