## **Permission to Land Procedures**

Pilots must secure permission to land by contacting CBP prior to departure from the foreign port or place and at least one hour in advance of the anticipated arrival time at Calexico International Airport.

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside these parameters, previously granted permission(s) are invalid and you must contact the CBP port to re-secure permission to land.

## **Inspection Process**

- There is NO airport control tower at the Calexico Airport.
- Aircraft should park on the ramp in front of the designated FIS.
- The FIS is attached to the FBO.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection.
- All crew and passengers will be processed inside the FIS.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- Passengers can depart directly from FIS at the conclusion of their inspection.
