Permission to Land Procedures

Pilots must secure permission to land by contacting CBP
prior to departure from the foreign port or place.

Permission to land is granted with a tolerance of (+/-) 30
minutes. If your ETA deviates outside these parameters,
previously granted permission(s) are invalid and you
must contact CBP to re-secure permission to land.

Inspection Process

- Aircraft should park on the Signature Flight Support Ramp.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection.
- All crew and passengers will be processed planeside.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).

Special Procedures/Miscellaneous

- After hours service is available with 24 hours advance notification.
- Diversions: Due to weather or airport closures, proceed to either KCOS, KBJC or KAPA area airports IF prior arrangements were made with the CBP Officers at those locations to be used as an alternate for CBP processing.

NOTE: For further detailed information regarding national GA processing standards and procedures, please refer to the CBP Private Aircraft Arrival Information Document or contact GAsupport@cbp.dhs.gov
