Permission to Land Procedures

Pilots must secure permission to land by contacting CBP
prior to departure from the foreign airport and at least one
hour in advance of the anticipated arrival time at Glacier
Park International Airport.

Permission to land is granted with a tolerance of (+/-) 30
minutes. If your ETA deviates outside these parameters,
previously granted permission(s) are invalid and you must
contact the CBP port to re-secure permission to land.

Inspection Process

- All inspections will be conducted on the CBP ramp unless prior arrangements for off-site clearance are approved by CBP.
- The CBP ramp is located on the north side of the CBP building.
- Please taxi to the ramp located in front of the CBP facility and park in the designated "box".
- A CBP Officer will meet the aircraft on the ramp to begin the inspection.
- All passengers should be prepared to de-plane and be processed inside the CBP facility.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user-fee decal (if appropriate).
- Regulated garbage handling must be coordinated through one of the FBOs.

Special Procedures/Miscellaneous

- Effective November 17th, 2024, all flights requesting permission to land outside of normal operating hours will be required to utilize an individual or third-party Reimbursable Services Agreement (RSP) to compensate CBP for the overtime cost to clear the flight.
- Please contact the on-duty CBP Officer in Kalispell to inquire about after-hours clearance procedures.
- After the inspection is complete, FBO services available at KGPI can fuel/service aircraft on the CBP ramp.
- FBOs will not approach the CBP ramp until a CBP Officer has signaled the inspection is complete.
- KGPI FBO Services: Glacier Jet Center (406) 755-5362.
