Permission to Land Procedures

Pilots must secure permission to land by contacting CBP
by email prior to departure from the foreign port or place.

Permission to land is granted with a tolerance of (+/-) 30
minutes. If your ETA deviates outside these parameters,
previously granted permission(s) are invalid and you
must contact CBP to re-secure permission to land.

Inspection Process

- The aircraft should proceed to the ramp on the FIS located to the west of the landing strip.

Special Procedures/Miscellaneous

- Permission to land may be granted outside normal business hours with 48 hours advance notice dependent on availability which is not guaranteed.

NOTE: For further detailed information regarding national GA processing standards and procedures,
