Permission to Land Procedures

Midland International Air and Space Port (KMAF) is
designated as a "user fee airport"
[19 CFR 122.1(m); 19 CFR 122.15].

Pilots must secure permission to land by contacting CBP no
later than one hour prior to departure from the foreign port
or place.

Permission to land is granted with a tolerance of (+/-)
30 minutes. If your ETA deviates outside those
parameters, Previously granted permission(s) are invalid
and you must contact CBP to re-secure permission to land.

Inspection Process

- All Aircraft operators are required to taxi to the CBP inspection area.
- The Customs box is located outside Signature Air.
- The airport control tower can direct you in if needed.
- The FIS is not attached to the FBO, it is in the main terminal.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection.
- All crew and passengers will be processed inside the FIS.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal.
- Passengers can depart directly from FIS at the conclusion of their inspection.

Special Procedures/Miscellaneous

- KMAF is staffed Monday through Friday from 8:30 AM – 5:00 PM Central Standard Time (CST).
- For after hour flights, landing and departure requests must be received during normal business hours, no later than 4:30 PM CST.
- For weekend and holiday flights, all landing and departure requests must be made no later than 4:30 PM CST the Friday prior to the weekend or Thursday if that Friday is a holiday.
- For all holiday flights that occur during a weekday holiday (i.e. the holiday falls on a day in the middle of the week whether it be a Tuesday, Wednesday, or Thursday) all landing and departure requests must be made no later than 4:30 PM CST on the prior regular workday.
- Advise CBP if transporting live animals, weapons, hunting trophies, or commercial import.
