Permission to Land Procedures

Pilots must secure permission to land by contacting CBP telephonically prior to departure from the foreign port or place and at least two hours in advance of the anticipated arrival time at KMBS.

Permission to land is granted with a tolerance of (+/-) 20 minutes. If your ETA deviates outside these parameters, previously granted permission(s) are invalid and you must contact CBP to re-secure permission to land.

Inspection Process

- Aircraft will be parked by Av Flight FBO personnel on the ramp.
- The aircraft control tower can assist if needed.
- A CBP Officer will meet the aircraft to begin the inspection.
- Passengers can depart the FBO directly at the conclusion of the inspection.

Special Procedures/Miscellaneous

- After hours and weekend services are limited.
- Av Flight FBO (800) 227-7907.
- There is no USDA compliance agreement in place at this airport for the collection of regulated waste/garbage. Only aircraft arriving from Canada can be serviced by CBP at this airport.
