Permission to Land Procedures

Pilots must secure permission to land by contacting CBP a
minimum of 2 hours prior to departure from the foreign port
or place.

Permission to land is granted with a tolerance of (+/-) 30
minutes. If your ETA deviates outside these parameters,
previously granted permission(s) are invalid and you must
contact the CBP port to re-secure permission to land.

Updates to any Estimated Time of Arrival or Departure
(ETA/ETD), changes in arrival location, or flight cancellation
must be made immediately by telephone.

Inspection Process

- All aircraft must land (block) at the CBP ramp unless authorized to block at another location by the airport control tower.
- The aircraft operator must open all crew, passenger, and cargo compartments in the aircraft for inspection by CBP.
- Inspection of the aircraft on the ramp and supervision of the unloading of baggage, disposal of regulated waste/garbage, etc., will be conducted by a CBP Officer.
- All crew and passengers with all personal belongings and baggage will be directed to and processed inside the FIS. The FIS is not attached to the FBO or main terminal.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- Passengers can depart directly from FIS at the conclusion of their inspection.
- No inbound cargo may be imported at Miami Opa Locka Executive Airport.

Special Procedures/Miscellaneous

- Flights arriving at Miami Opa Locka Executive within one hour or less of closing-time may be denied permission to land or diverted to another international airport with CBP Supervisory approval.
- Request for permission to land and/or advance notice of arrival or any updates for Miami Opa Locka Executive after hours can be directed to Miami General Aviation Center.
- If traveling with a live animal(s), visit the Center for Disease Control (CDC) website for import requirements at <https://www.cdc.gov/importation/bringing-an-animal-into-the-us/index.html>
