Permission to Land Procedures

Pilots must secure permission to land by contacting CBP prior to departure from the foreign port or place and no later than 1900 hours the day prior of the anticipated arrival time at KPHX.

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside those parameters, Previously granted permission(s) are invalid and you must contact CBP to re-secure permission to land.

Inspection Process

- Aircraft will park on the South Cargo CBP ramp.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection process.
- All crew and passengers will be processed on the ramp, or inside the cargo office.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- FBO will collect regulated waste/garbage from aircraft crew.

Special Procedures/Miscellaneous

- Requests for weekend service may be approved on a case-by-case basis..

NOTE: For further detailed information regarding national GA processing standards and procedures, please refer to the CBP Private Aircraft Arrival Information Document or contact GAsupport@cbp.dhs.gov
