Permission to Land Procedures

Pilots must secure permission to land by contacting CBP
prior to departure from the foreign port or place and at least
24 hours in advance of the anticipated arrival time at KSMF.

Permission to land is granted with a tolerance of (+/-) 30
minutes. If your ETA deviates outside these parameters,
previously granted permission(s) are invalid and you must
contact CBP to re-secure permission to land.

Inspection Process

- For the Greater Sacramento Area, all inbound international flights are processed at
"Modern Aviation SMF." <https://modern-aviation.com/sacramento-international-airport/>

Special Procedures/Miscellaneous

- Requests for permission to land between the hours of 0900 and 1600 may be approved on a case-
by-case basis. Due to agency operations, flight processing during dayshift hours are subject to
resource availability and are not guaranteed.
