### **Permission to Land Procedures**

Pilots must secure permission to land by contacting CBP  
during regular business hours and prior to departure from  
the foreign port or place.

Permission to land is granted with a tolerance of (+/-) 30  
minutes. If your ETA deviates outside these parameters,  
previously granted permission(s) are invalid and you must  
contact CBP to re-secure permission to land.

### **Inspection Process**

- Aircraft will follow tower taxi instructions to the East Ramp, FBO, or designated area for CBP processing.
- Regulated garbage requirements: food items must be separated from any paper, containers, cans or plastics and double bagged ready for collection on arrival.

### **Special Procedures/Miscellaneous**

- Permission to land, RSP if needed, APIS manifest must be submitted accurately during our regular business hours for review and approval. Any approved updates/changes to the flight details may require a new permission to land request.
- Local FBO's are Signature Aviation or Atlantic Aviation. Both are located on the East Ramp at the Kahului Airport.

**NOTE:** For further detailed information regarding national GA processing standards and procedures, please refer to the CBP Private Aircraft Arrival Information Document or contact [GAsupport@cbp.dhs.gov](mailto:GAsupport@cbp.dhs.gov)
